

CLEANPOWER PAC Solicitation Approval Form

On behalf of our company, a member corporation of the American Clean Power Association (ACP), I hereby authorize solicitation by CLEANPOWER PAC. I understand that our corporation may only grant one authorization to a trade association per calendar year. To the best of my knowledge, no such approval has been given to another trade association PAC.

ACP member companies may authorize prior approval for multiple years. At any time, a company can withdraw its authorization by contacting CLEANPOWER PAC at 202.383.2500 or info@cleanpower.org.

Federal Election Commission regulations require CLEANPOWER PAC to obtain written permission from an authorized representative of a member company to solicit voluntary contributions from employees. This authorization does not bind a company or its employees to any financial commitment. A corporation may not approve solicitations by more than one trade association in the same calendar year.
