

The American Clean Power Association ("ACP") has provided this Document for the use subject to

any health or safety-related information in this Document shall not be attributable to ACP and is solely the responsibility of the certifier or maker of the statement.

ACP disclaims liability for any personal injury, property or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly resulting from the publication, use of, application, or reliance on this Document or on any of its other publications, even if advised of the possibility of such damage and regardless of whether such damage was foreseeable. In addition, ACP does not warrant or represent that the use of the material contained in this Document is free from patent infringement. ACP publications are supplied "AS IS" and "WITH ALL FAULTS."

Laws & Regulations

When using this Document, local, state and federal laws and regulations should be reviewed. Compliance with the provisions this Document does not constitute compliance to any applicable legal requirements. In making its publications and this Document available, ACP does not intend to urge action that is not in compliance with applicable laws, and these documents may not be construed as doing so. Users of this Document and other ACP publications should take into account state, local, Federal, or international data privacy and data ownership requirements in the context of assessing and using the publications in compliance with applicable legal requirements.
